Passport to Adventure!

As a continuation of our Links to Learning® curriculum, Preschool camp offers a fun-filled summer program for children entering PK & K. Each week campers jump into action, participating in fun and exciting activities and special events.

Our campers have the opportunity to expand their horizons during the summer, embarking on new adventures, and having fun! We create a summer experience that is unforgettable!

Each week campers will engage in relevant, meaningful experiences that allow them to construct new knowledge while connecting to prior knowledge from their own experiences.

Although we want the children to have the best summer possible, we can't forget about all they've learned during the school year.

Our Links to Learning® summer curriculum is designed to review and strengthen skills taught during the school year. Various academic activities will be integrated throughout your child's daily summer experience.

Passport to Adventure activities will inspire your child to engage, explore, create and stay active this summer!

Swimming

Each week, campers head to the swimming pool at Marsh Creek State Park. Campers enjoy a relaxing swim in the near half acre size pool. Our junior campers remain in the shallow end while our senior campers can take a swim test to swim in the deep end. When campers get hungry or thirsty they can purchase a scrumptious snack from the full-service snack bar.

Campers are supervised by multiple lifeguards as well as by their Summer Camp counselors.

Campers wear bathing suits to camp on pool days & bring a change of clothes. Campers will need a towel and a brown bag lunch. Goggles are permitted.
