CBA OAKS Super Summer Camp

Chesterbrook Academy Summer Camp offers fun-filled summer programs for children ages 5-16.

Our campers have the opportunity to expand their horizons during the summer, embarking on new adventures, and having fun! Our exceptional program staff create an environment that forges lifelong friendships among our

summer,
and dedicated
campers.

Each week, campers jump into action, participating in exciting sports programs, exploring nature, becoming involved in performing and creative arts, playing a part in group activities, and attending special events.

**It all starts
with our
outstanding
camp
counselors.**

A camp is only as good as its staff, and we are extremely proud of ours. Talent, creativity, love of children, leadership and devotion make our camp counselors the heart and soul of the program.

We take our camp programs seriously and begin our summer with intensive staff training and orientation. Camp counselors are doing exactly what they enjoy most: spending a summer inspiring campers to explore, reach for new heights, and expand their horizons.

**WE CREATE A
SUMMER
CAMP
EXPERIENCE
THAT IS
UNFORGETABLE!**
