## Summer Camp Description

**Camp at Chesterbrook Academy offers fun-filled summer programs for children ages 4-12.**

Each week, campers jump into action, participating in exciting sports programs, exploring nature, becoming involved in performing and creative arts, playing a part in group activities, and attending special events.

Our campers have the opportunity to expand their horizons during the summer, embarking on new adventures, and having fun! Our exceptional program and dedicated staff create an environment that forges lifelong friendships among our campers. We create a summer experience that is unforgettable!

**It all starts with our outstanding camp counselors.**

A camp is only as good as its staff, and we are extremely proud of ours. Talent, creativity, love of children, leadership and devotion make our camp counselors the heart and soul of the program. We take our camp programs seriously and begin our summer with intensive staff training and orientation. Camp counselors and specialists are doing exactly what they enjoy most: spending a summer inspiring campers to explore, reach for new heights, and expand their horizons.

**Camp at Chesterbrook Academy gives you choices.**

Camp includes five days of activities, from 8:30 am – 4:00 pm. You can choose to add extended hours and specialty camps to your menu of summer fun. We offer a range of outdoor activities, plus indoor activities conducted in our fully air conditioned facility. Our specialty camps are optional programs, operating during regular camp hours, which provide even more choices for unique and exciting adventures.

## NEW This Summer!

### Spikeball

Dive, volley, spike! This fast-paced game will get your campers' hearts racing!

### Minecraft Edu

MinecraftEdu is a camp-ready remix of the original smash hit game Minecraft. Your camper will create simulations of places, events, and concepts in the engaging and creative environment of Minecraft.

### ECX RC Racers

Get your hands dirty then bash the competition with the ECX® AMP™ MT Build-To-Drive™ Kit. Kits have been a mainstay of the RC hobby since the beginning. Putting together a kit helps educate drivers on their ride and gives them the opportunity to add unique tweaks along the way.

## Weekly Swimming at Marsh Creek

Each week, campers head to the swimming pool at Marsh Creek State Park. Campers enjoy a relaxing swim in the near half acre size pool. Our junior campers remain in the shallow end while our senior campers can take a swim test to swim in the deep end. When campers get hungry or thirsty they can purchase a snack from the full-service snack bar.

Campers are supervised by multiple lifeguards as well as by their summer camp counselors.

Campers wear bathing suits to camp on pool days & bring a change of clothes. Campers will need a towel and a brown bag lunch. Goggles are permitted.

# Special Olympics Field Day

## Fundraising begins June 13<sup>th</sup>!

Summer Camp at Chesterbrook Academy raises money for the Chester County Special Olympics every summer, and we are excited to announce that we will begin fundraising on the first day of camp!

**You can help by sending your camper to camp each day with \$1.00 for our POPSICLE & ICE CREAM SALE!**

**All of the proceeds raised will be donated directly to the Special Olympics at our BIG FIELD DAY on July 20th, 2016 from 10:00am to 2:00pm. We'll enjoy the dunk tank, the giant water slide, the obstacle course, the slip and slide and more!**

The campers, Special Olympics representatives, and Special Olympics athletes look forward to this event every summer. **Help us make this the best Special Olympics Field Day yet! We hope to see you there!**

# Activity Blocks

***Come Be GREAT!***

Each week campers will engage in unique activity blocks that offer relevant, meaningful experiences that allow them to construct new knowledge while connecting to previous knowledge. Activities provide an opportunity for campers to engage, explore and make sense of the natural world through inquiry and project-based learning.

## **BLOCK 1 Technology Stop**

With an emphasis on creativity, exploration, and friendship, campers discover new tech skills in an energetic, kid-friendly learning environment

## **BLOCK 2 Lego-Inspired Engineering**

Dream it. Build it. Wreck it. Repeat! Campers build elaborate objects, structures and vehicles, while they explore fundamental principles of engineering and physics.

## **BLOCK 3 Science Gurus**

Practical and fun experimentation and project building send campers home with enthusiasm and the knowledge required to take the sciences further as hobbies.

## **BLOCK 4 Urban Designers**

Draw. Decorate. Design. Campers will explore a multitude of design challenges, including interior design, architectural design and fashion design.

## **BLOCK 5 Color Wars**

Campers are divided into teams, each of which is assigned a color. The teams compete against each other in challenges and events to earn points

## **BLOCK 6 Photography: A portable studio**

Campers are immersed in the art and craft of still photography, and are introduced to the tools necessary to capture great images and refine them through digital imaging.

## **BLOCK 7 Citizenship and Friendship Brigade**

Campers will find creative ways to give back, while learning about how they can make a difference, strengthening their character and friendships along the way.

## **BLOCK 8 Games Galore**

Come be part of a summer camp that continues to emphasize a vast exposure to a variety of sports and games.

## **BLOCK 9 Artist Studio**

Draw it! Paint it! Sculpt it! There is no right or wrong when it comes to making art. Use your creativity to express your inner artist.

## **BLOCK 10 Drama-The Musical**

Campers learn basic knowledge of acting techniques and stage movement to develop their imagination, creativity and confidence.

# Specialty Camps
