Chorus students get to perform during the following exciting events:

We are excited to provide the choral art form at Chesterbrook and to share our students' many gifts and talents with our school and our community!

Please expect your child to have fun singing, to be challenged musically, and to be presented with a diverse musical repertoire.

Should your child choose to participate, please know that he or she will be expected to be accountable for rehearsals, materials, and performances.

We are asking for a commitment through the entire session to ensure ensemble consistency.

**Your child is not in Extended Day? No problem!**

If your child normally goes to carpool, but you wish to register him/her in Chorus, please plan for the following: On the scheduled program day, he/she would simply join Extended Day, instead of going to carpool. When the program is scheduled to end, your child will be awaiting your arrival for departure in the Fine Arts Building.
