

# FuNation Enrichment Lessons

## Computer Class

March 2015

### What we are doing:

This month in FuNation Computer lessons we are continuing to learn about the correct use of the mouse and the basic letters on the QWERTY keyboard:

Week 1: Students will master navigating with the mouse

Week 2: Students will master pointing and "left clicking" with the Mouse

Week 3: The keys on the keyboard that the students will focus on this week are U, I, O, P

Week 4: The keys that the students will focus on this week are the "space bar" and "Enter"

### Words/Keys to Practice

- Help your child type words on the computer using the letters U, I, O, and P on the computer and use the Space Bar and Enter key.

### Reading Notes
