

# July News

*Summer is in full gear and we are super excited at how much fun the children and staff are having with all the activities, special visitors and field trips so far! Please make sure you check the classroom calendar for all the fun things coming up in July!*

*We want thank those of you who have taken advantage of the parent referral program. We have many new friends starting because of your referrals and now you get the benefit of \$500 off your child's tuition!! We love having new friends and seeing our school grow in large part because of your help. Thank you for that. If any of our families have any questions regarding the parent referral program, please do not hesitate to ask myself or Vikki.*

*Thanks again, to all the dad's that came to our Father's Day root beer float celebration. We have shared some of the photos from that day below, and on our corporate Facebook page. The children love to have family and friends come to visit them at school, so thanks again to all those special men who came in on that Friday, it means so much!*
