

June News

June is upon us and that means warmer weather, slower days, and time for wandering and exploring outdoors. After June 2nd school will be out for all of our School Aged and with that brings talk of field trips, special visitors and summer vacations for all our families and teachers at Chesterbrook!

Our summer camp program is one of the best in Bloomington/Normal for our School Aged and Pre-K for field trips. Our enriching summer curriculum also carries through to our infant through preschool classrooms as well. With water play days as well as summer activities this school will be all abuzz with fun and excitement that we can't wait to share with parents each week.

From our Beginners classroom through School Age, please make sure you pick up the June calendars to see what great things your child's teacher has planned for this summer! Our Infant and Toddler teachers also have water play days planned, as well as age appropriate summer themed activities for our littlest friends here at Chesterbrook!

We want to also let families know now that summer is upon us; it is a popular time to use that free vacation week if you have not used it already. If you plan on using your vacation week at all this summer, just a reminder to let us know so we can mark down what dates you will be using your free week. Also the new rates will be going into effect June 28th. If you have questions about your child's rate, please let us know we are happy to answer any questions you may have.

This is also the time of year that many of our beloved teachers will be taking some much needed time off to spend with family. We are very happy to mention that some familiar faces are coming back to your children's classrooms on a more consistent basis this summer to help. Miss Caitlyn and Miss Laine are just two of our wonderful part time teachers that will be here this summer to help cover much needed vacations for our full time teachers. We are all very excited to have them back!

With all the fun activities we have planned for this summer, one important event I wanted to mention was on June 19th, we will be inviting our father's, grandfathers, etc... for root beer floats to celebrate Father's Day and how important dads are to all of us! We hope all you dads can join us!!

Looking forward to a great Summer!!
