

Linking to September

Ms. Rebecca & Ms. Shawna Infant A

Monthly News

As we say good-bye to summer we are welcoming a new school year full of fun and learning. We will also be welcoming Zack and Carter to our room. This month we will be exploring fall and will feel leaves and paint with them. We will also be learning about rain. We will play with rain sticks and listen to the sounds they make and even feel and play in water. Some skills we will be working on are tummy time, opening and shutting our hands, waving, holding our feet while on our backs, and looking at picture books. We will also be doing a lot of singing. During the school year we help the Infants to communicate their needs with sign language. This month the word is “happy.”

Coming Events:

9/4– Picture Day

9/7– Labor Day (School Closed)

9/12-Royersford Community Day
