

Linking to September

Ms. Rebecca & Ms. Kathy Infant B

Monthly News

As we say good bye to summer, we are welcoming a new school year full of fun and learning! Our friends Wesley, Bugatti, Leanne, and Fernando are moving on to our Toddler classroom. We will miss all their smiling faces. Our friends Na' Haj and Hailey who were in Infant A will be moving over to Infant B! The Novia Twins Elli and Allie will be joining us in Infant B who were home with their family this summer.

This month we will be exploring different instruments. We will be listening to the different sounds each instrument makes. We will also take a closer look at bubbles and explore bubble wrap. Some skills we will be working on are holding a bottle, using our fingers and palms to hold objects, and sitting up without support. This months Sign Language is "Happy."
