

June 2016 Newsletter

A note from the Administration

We can't believe it's June already! As the weather warms up and summer arrives, we are gearing up for summer camp and summer fun. Please remember that if your child will be here for the summer, you may want to provide sunscreen and bug spray. If so, please bring each with your child's name clearly written on the bottle, along with the permission form. Extra permission forms are available at the front desk.

You'll also notice some new staff members joining our team. We'd like to welcome Ms. Gillian and Ms. Jazzman to the Chesterbrook family. Please feel free to stop in to their rooms to meet them and welcome them.

Finally, we appreciate your patience as we give our school a brand new look. We hope that our remodel will begin around June 1 and end near the end of June. While the school is being remodeled, you may notice a few workers inside the building. Rest assured that they are under our supervision and have been cleared to be in our building. We are excited to show you the new look and feel of our school once the facelift is complete, and are excited to create new and better learning environments for our students! Although there may be a few changes to our day during the remodeling process, we will limit any changes as much as possible.

Thank you for your continued trust in our school and for trusting us with your children!

IMPORTANT REMINDERS

- Tuition is due by noon on Monday. Please submit on time in order to avoid late fees.
- Graduation for PreK1 and PreK2 children will take place on June 23 at 3:30pm at our Chantilly Chesterbrook school, located at 3753 Centerview Drive. We ask that you transport your children to the graduation ceremony, as we will not have transportation available.
- We will have permission slips for our graduation practice available shortly. Practice will occur at 10am on June 22, and we will transport children to practice.
