

Linking to June

Kindergarten-2016

It is here, the last month of school! The year has really flown by! The month of June is a busy one with all of the final preparations for graduation. Each day the students will be perfecting their graduation routine and putting on any final touches. Also, we will be busy cleaning up the classroom and taking home anything that belongs to the students. The last day of school will be Thursday, June 9th, followed by a 9:30 am graduation ceremony on Friday, June 10th at the Chesterbrook Academy Elementary School in Oaks. Summer camp starts Monday, June 13th. Each week, the campers will be doing art activities, experiencing "in-house" visitors and performances, swimming, and going on field trips! The first week of camp does not have any scheduled field trips or swimming, however there will be plenty of fun activities and everything will get started the following week! Summer camp is always a blast and makes the summer season fly by. We hope to see you there!

Special Days & Upcoming Events

June 3rd: Field Day

June 9th: Last Day of School
