

Linking to June

Toddler Room 2A -2016

During the month of June, Room 2A Toddlers will be discovering sea animals and dinosaurs, exploring sound and musical instruments, learning how to be healthy and make our bodies grow big and strong, and reading our favorite books and dressing up as our favorite characters/super heroes.

For Language and Literacy, we will be reading many different books that relate to sea animals, dinosaurs, music and sound, healthy bodies, and super heroes.

For Creative Expression, we will be making many different art projects relating to each concept as well as singing numerous songs. Each child will also dress up as their favorite book character or super hero.

For Mathematics, we will be matching pictures of fruits and vegetables together. We will look at different colored sea animals and dinosaurs and recognize each color. We will also be practicing many different counting activities during circle time that pertain to each theme of the week.

For Wellness, we will be practicing many different movements and exercises that are healthy for our bodies. We will also experience different sensory bins relating to each theme. For example, we will create an "under the sea" sensory bin using sand, seashells, sand toys, plastic sea animals, and water.

For Social/Emotional, each child will discover different healthy foods by feeding themselves and discovering the unique tastes that each food has.

** Starting Monday June 13th, we will NO LONGER serve AM snack from 9:30-10:00. Our meal times will only be from 8:30-9:00 for breakfast, 11:30-12:00 for lunch, and 3:00-3:30 for PM snack.

** Our water play days are Tuesdays and Thursdays, all items will be sent home on Thursdays to be cleaned for the next week!!!

** Please check your child's cubby and exchange all winter clothes out for summer clothes; at least 2 sets of clothes, please!
