2017- 2018 SCHOOL YEAR EARLY BIRD RE-REGISTRATION

Dear Parents,

All of our teachers and staff here at Chesterbrook Academy have been so pleased with the progress our excellent students have made this year. It has been very rewarding to watch every child at our school succeed as an individual, building confidence and academic skills along the way. The fun and learning they are enjoying right now prepares them for what comes next.

Now is the time to plan for next year. Our Links to Learning® curriculum is designed for smooth transitions as children develop. It is important to continue your child's educational momentum by enrolling today for the 2017/2018 school year. Doing so will guarantee your child a space at Chesterbrook Academy to continue his or her developmental progress uninterrupted.

Because we appreciate our current families and wish for you to continue your child's early education with us, we are offering a 50% discount on the 2017/2018 registration fee from 3/13 to 3/24. This means you only pay \$70. per child, to secure a space for the upcoming school year. The 2017/2018 registration will be valid until June 30, 2018.

For your convenience, Brooke our school Hedgehog has the necessary enrollment forms waiting for you in the school lobby. Stop by her registration habitat to say hello and pick-up your packet. Please complete all forms and sign. Be sure to circle your child's schedule, include the re-registration fee, and turn into the front office.

Chesterbrook Academy is a year-round school, and our school years go from July to July. Your new registration will go into effect on July 1, 2017. Please do not delay, we are a full school and want our current families and children to continue with us. If you have any questions about the upcoming school year registration process, please inquire. We look forward to another year of learning FUN!

Our Early Bird In-House Registration period will run from

MARCH 13TH TO MARCH 24TH

After March 24, 2017, the re-registration fee will be \$140 per child.
