# Camp Introduction

## Camp Hours

8:30am – 4:00pm

## Extended Day Options

7:30am – 8:30am  
& 4:00pm – 5:30pm

## Mission

Our summer camp mission is to enrich and extend learning through high-quality, engaging programs that reflect Chesterbrook Academy's core values. We aim to inspire curiosity, nurture the whole child, and uphold our commitment to educational excellence.

## Highest Standards for Every Age & In Every Program

**Each week, campers from age 3 through Rising 6<sup>th</sup> Grade, engage in focused learning blocks—regardless of the camp theme!** They spark curiosity, support whole-child development, and reinforce our strong commitment to educational excellence. Led by skilled educators, our camps reflect Chesterbrook Academy's highest standards, offering safe, dynamic, and enriching experiences aligned with our five key learning standards: Discover, Play, Create, Wonder, and Learn.

Campers explore the exciting world of science, technology, engineering, art, and math (STEAM) through building projects, experiments, and design challenges. Sharing ideas, asking questions, and making predictions are encouraged!

Robust outdoor play and structured games help campers learn sportsmanship and develop their physical strength and endurance. Campers learn critical thinking and problem solving by participating in board games and team challenges with their peers.

Campers express themselves by participating in hands-on visual arts. Campers develop planning skills by working on project-based activities with their peers and will participate in group performances or discussions, discussions, debates, and other public speaking opportunities.

Social and emotional growth is nurtured through camper- and teacher-led activities that promote a feeling of community and belonging. Campers learn through open-ended activities that give them a chance to apply problem-solving skills and collaborate with friends.

From imaginative games that stimulate cognitive development to hands-on experiences, campers will engage in activities that enhance motor skills. These activities not only set the stage for academic success, but also foster social, emotional, and physical growth.

# Camp Highlights

## Camper Ratios & Activity Spaces

Our awesome camp activities are held on-site each week in CBA classrooms, the Sports Court, Gym, our Playgrounds, Amphitheatre, Picnic Tables, Nature Trail, and Pool!

- Jr. Camp Preschool Ratio is 1: 9\* for Age 3, 1:12\* for Age 4 and up, with a maximum class size of 18
- Rising 1<sup>st</sup> – 6<sup>th</sup> Grade Elementary Camp Ratio is 1:14; Average class size varies

## CBA Assemblies & Camper Brag Tags

Our outdoor Amphitheatre is the place to be immersed in Songs, Shout-Outs, Skits, Dancing, Competitions and awesome group experiences! Elementary Campers will get up on stage to compete with counselors in silly challenges, show leadership in presenting a new group chant, or step up to accept earned beads and cool Brag Tags for your personalized camp necklace.

Jr. Campers will head to the Amphitheatre for fun Spirit Fashion Shows and jolly camp songs!

## Wacky Wednesday Themes

Time to dress up and show off amazing summer camp spirit! We encourage our campers to get creative, kooky, and dramatic every Wednesday morning, with wacky themes changing each week! A fashion-show-down ensues and picture-perfect moments are always shared with families!

## Fantastic Friday Events

Fridays are always spectacular at CBA Summer Camp! Each week, camp groups are enthralled by traveling visitors that bring exciting events and performances! This summer will bring a Crazy Mad Science Show, a wet and wild Foam Party, amazing live animals from Museum Outreach, and more!

## Tasty Treat Tuesdays

Every week, we have a SWEET on-site food vendor providing an awesome treat for each camper! Whether it's Kona Ice, Loco Pops, or JAM Ice Cream, these complimentary cool treats are sure to make your child smile this summer! *There is always a gluten-free option, and our campus is peanut and tree nut free!*

# Camp Policies

## Online Registration & Camp Payment

Visit [North Raleigh Summer Camp | Chesterbrook Academy](#) to register your child for summer camp!

**To complete the online enrollment process, a one-time, \$65 Registration Fee and one week's camp tuition is due at the time of enrollment.** The deposit will be applied to your child's first week of camp. Weekly camp fees are due every Monday. A \$25 late fee will be charged if payment is not received by 12 pm Tuesday. All camp payments must be made via our online portal (either banking auto-draft or credit card payment).

## Camper Forms

Once your child is fully registered for summer camp through our online camp portal, our **office staff will send all required paperwork to the email provided during the online registration process.** All camp forms will be conveniently sent to you to complete via Docusign, so both parties receive a copy. Printed forms will be kept in each camper file in our CBA office. For questions, please email [Kelsey.Desrosiers@chesterbrookacademy.com](mailto:Kelsey.Desrosiers@chesterbrookacademy.com). **Campers will not be permitted to attend Chesterbrook Academy's Summer Camp without the required forms on file.**

## Cancellation

If you enroll in camp and your plans change, you can receive a full refund/credit for camp tuition, less registration fee. **Program changes are made by the parent through the camp registration portal only and must be received 2 weeks prior to the camp start date.** Participants who do not attend their registered camp week, or who do not cancel two weeks prior to start date, will not receive a refund or credit. By submitting your payment, you are agreeing to the policy outlined above.

## Lunch & Snacks

Daily, all campers must bring a healthy lunch from home, as well as 2 snacks and a refillable water bottle. Campers should pack lunch items in an insulated lunch bag with an ice pack. Each camp group will have scheduled time for an early morning snack, an afternoon lunch period, and a late afternoon snack time (depending upon your child's pickup time.) **All food items brought to our campus must be completely nut-free (may not contain any traces of peanuts or tree nuts)** in accordance with our school allergy policy. Every Tuesday, CBA will offer a complimentary 'tasty treat' to all campers (gluten free option is available).

## Sunscreen

Please apply sunscreen to your child prior to coming to camp and provide a hat they may wear during outside play time (please label the hat with your child's name).

## Rest/Nap Time for Jr. Campers

Our Jr. Camp preschoolers will enjoy a quiet rest time each day for 1.5 hrs. This is just enough time to recharge for fun, but not enough time to disrupt nighttime routines! Please note that our Specialty Camp called 'Ready, Set, Kinder-Prep' does not have a scheduled nap time, as they are preparing for Kindergarten.

# Aquatics Safety

## On-site Pool and Splash Days

Staying safe and cool in the water is essential for a fabulous camp experience!. All age campers in every group will enjoy our on-site water activities each the week!

### Splash Days – 3 years old through Rising Kindergarten

Our preschool campers will have a blast in their bathing suits twice a week during our CBA Splash Day sessions!

Jr. Campers are supervised by our staff while they get wet, exploring and playing with sprayers, sink and float STEM toys, sprinklers, water tables, and more!

### Swimming at the Pool – Rising 1<sup>st</sup> Grade and Up

We create unforgettable memories for students at our on-site swimming pool!

Our outdoor pool ranges from 2 feet to 5 feet and always has at least 1 certified lifeguard on duty.

Every camper is considered a ‘non-swimmer’ before taking a required swim test (proctored by our lifeguards) to gain access to swim in the 4ft-5ft section of our pool, marked with a rope-buoy divider.

Our counselors will assist students with learning important pool rules, ensuring that everyone enjoys aquatic playtime with friends, while being safe in the water and out on the pool deck.

# Kindergarten Prep

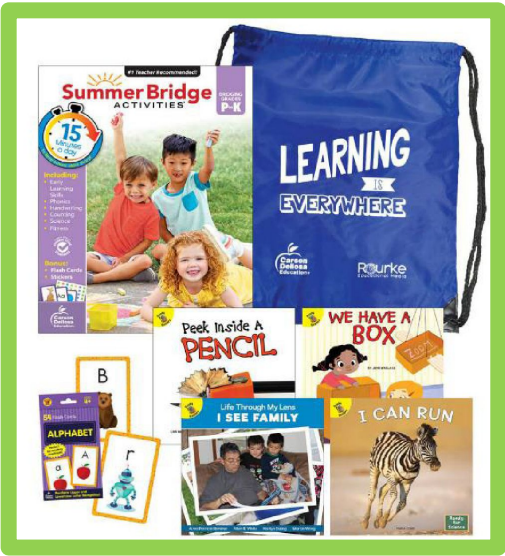

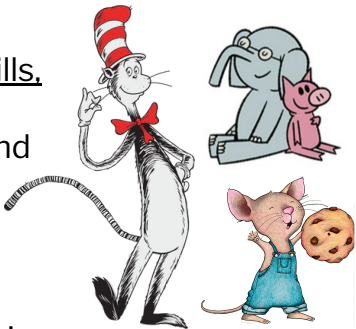

Academic Enrichment and Summer Adventure

## Ready, Set, KINDER-PREP!

Your child will have a BLAST with CBA’s Kinder-Prep Specialty Camp! The weeks leading up to the first year of Kindergarten are crucial. They provide a perfect opportunity to mix Summer Adventure with Academic Enrichment! New this year, K-Prep will enjoy spotlight activities inspired by well-loved authors that feature Kindergarten readiness themes! Give your child an extra boost that will bridge the transition from PreK to Kindergarten, laying the foundation for a lifelong love of learning!

Each week, Kinder-Prep Campers will work on sharpening literacy and math skills, while practicing kindergarten etiquette and routines. To help prepare them for elementary school, this group of campers will continue the day with playtime and academic experiences and will not have a daily nap time.

We believe in a perfect balance of work AND play, so Kinder-Prep Campers will always get to enjoy our weekly camp events, such as Splash Time/Water Play, Tasty Treat Tuesdays, Wacky Wednesday Spirit Days, and Friday Guests/Events!

Families have flexibility to enroll in one week of our Kindergarten Enrichment Camp or enroll in multiple weeks to provide maximum Kindergarten success and preparation!

K-Enrichment Camp includes a *one-time material fee that covers everything your child will need to succeed!*

- Spectrum Hands-On Math Workbook
- Scholastic News

This week, we're bringing beach vibes! This camp blends ocean science with beach games, shell crafts, sand art, and more. Campers explore the movement of tides and waves, discover unique facts about beach dwellers, like crabs, seagulls, and clams, and even engineer sandcastles and mini-boats! We'll learn about how humans impact the ocean's beaches – and how we can protect them, too!

**Grade:** Rising 1<sup>st</sup> – Rising 6<sup>th</sup>

**Week:** July 20-24

**Tuition:** \$325

## Wilderness Medicine: Disaster Strikes

Conquer the great outdoors! Camp participants will role-play emergency situations in the wild and learn how to prepare for natural disasters and animal encounters. These future emergency medics will learn about snake bites, hypothermia, tourniquets, wild animal safety, how to read a compass, poisonous plants, edible plants, distress signals, forest fires, tornadoes, common bug bites, and more.
