DAY CAMPS • KINDERGARTEN ENRICHMENT

It's not just a camp.

It's an **EXPERIENCE.**

We've designed the perfect camp for your child, complete with all the fun, enriching activities they love, and the important safety measures and flexible hours you expect. And with many options to choose from, campers will have endless, AWESOME experiences to keep them engaged and excited all summer long.

Each week, students in rising kindergarten through 6th grade jump into action as they explore science and nature, become involved in creative and performing arts, and participate in sports and games. Our camp features a unique selection of indoor and outdoor activities and **field trips** that take advantage of resources in the local area. See our field trip section for our full list of offerings.

Give your child a jump-start to kindergarten by enrolling in our Kindergarten Enrichment program. We work on sharpening literacy and math skills, while also providing opportunities for your child to practice kindergarten etiquette through authentic play and collaborative learning. Students have a blast engaging in inquiry-based, hands-on activities that build upon foundational skills, such as science and engineering.
