Preschool Summer Enhancements

4 years old

We're in session for summer! As a continuation of our Links to Learning curriculum, our summer program is a fun-filled adventure for children age 4. Each week, preschoolers jump into action, participating in fun and exciting activities and special events. Our activity blocks are sprinkled throughout each week, giving preschoolers fun and variety in their camp day.

The Artist in Me

Campers will get crafty using a variety of materials to create wacky and abstract masterpieces, nurturing their creative flair!

Build it Better!

Little builders dive into messy fun with hands-on building projects using Legos, foam, clay, and more!

Jr. Olympics

Little champions practice sportsmanship through fun sports and games, focusing on sharing, taking turns, and being a great friend.

Splash-tacular!

Campers stay cool and have a blast with water-themed games, water tables, sprinkler runs, and more, making a splash this summer!

Kids Helping Kids

Campers learn the joy of giving back as they work together to help community members in need.

Connect the Dots

Campers exercise critical thinking and problem-solving skills through engaging activities.

Minute to Win It

Ready, set, go! Campers enjoy a thrill working together to complete fun and sometimes silly tasks before the clock runs out.

Tinker Around

Young learners experience S.T.E.A.M. through fun projects that encourage questions, problem-solving, and exploration.

Listen to Your Art

Campers engage in movement and dramatic play, expressing themselves and fostering creativity!

Curiosity Lab

Campers delve into the wonders of science and exploration, sparking their curiosity and creativity!

Day Camps

School-Age Day Camp

Where every day is EPIC • Rising 1st – 8th Grade
Must have completed Kindergarten to enroll

Every week, campers delve into the realms of science, nature, creative arts, and performing arts, while engaging in a medley of sports and games. Our camp promises an exceptional array of indoor and outdoor activities, including special guests and exciting on-campus events, adding an extra layer of delight and creating unforgettable moments.

Draw, Paint, Create

Campers discover their inner artist in a vibrant journey filled with brushes, colors, and boundless imagination!

Color Wars

Join the pep rally! Campers gather for songs, chants, and challenges, promoting collaboration and team spirit.

Kids Helping Kids

Inspire compassion and empathy through various service projects, creating a brighter future for those in need.

Myth Busters

Tease your brain! Brain teasers, puzzles, and riddles enhance logic, reasoning, problem-solving, and math skills.

Joyful Noise

Laughter abounds as campers gain creativity and confidence through singing, dancing, and acting.

Project Blueprint

Delve into simple machines and architectural design, sparking curiosity and problem-solving skills.

Summer Games

Channel your inner Olympian! Engage in friendly competitions, team sports, and challenges promoting camaraderie and sportsmanship.

Makerspace

Creativity and construction collide! Plan and build 3D objects using wood, clay, PVC, and more in our innovative Makerspace.

Discover Lab

Collaborate and innovate! Campers solve problems and develop a love for science, technology, engineering, art, and math.

Cosmic Exploration

Embark on an extraordinary journey through the stars, exploring the wonders of the universe through stargazing and space-themed experiments.

Swim Program

On-site Pool

Where every day is EPIC
Rising 1st – 8th Grade

On-Site Pool

We create unforgettable memories for students in our on-site swimming pool.

Aquatics Safety

Swimming is a fun and essential life skill for children of all ages. We provide students with the skills and experiences needed to feel confident in the water. Our personalized teaching approach allows each child to learn swimming skills comfortably and safely at their own pace. Children learn the features of a safe swimming environment and important safety habits, such as never swimming alone or without adult supervision.

Kindergarten Enrichment

Keep learning while having fun

Rising Kindergarten

Academic camps are a fantastic way to enhance your child's love of learning while focusing on a specific subject. We have something for every student, from math and robotics to literature and creative writing. Campers work independently and in small groups to apply real-life experiences to lessons learned in the classroom.

Kindergarten Enrichment

Step into the crucial pre-kindergarten months with Kindergarten Enrichment: A Pre-K to K Adventure! This program bridges the transition from preschool to kindergarten, laying the foundation for a lifelong love of learning. We work on sharpening literacy and math skills while providing opportunities for your child to practice kindergarten etiquette through authentic play and collaborative learning. Campers enjoy hands-on experiences and foster new skills while having a blast.

Price: \$400

Material Fee (One Time): \$60

Grades: Rising Kindergarten

Campers who have completed Pre-K and are rising Kindergarten for fall 2024.

Weeks: June 10th

June 17th

July 1st

July 8th

July 22nd

July 29th

K-Enrichment material fee includes:

- Spectrum Hands-On Math Workbook
- Scholastic News
- Summer Bridge Essentials Backpack that includes:
 - 1 Summer Bridge Activities Workbook for grades PK-K
 - 1 Be Clever Wherever Calm Down Kit
 - 4 high-interest titles (Peek Inside a Pencil, We Have a Box, I Can Run, and I See Family)
 - 1 box of Alphabet Flash Cards
 - User Guide to help increase family engagement

Specialty Camps

Explore and expand their interests

Grades: Rising Kindergarten – 8th Grade

Our specialty camps are packed with hands-on activities that offer experiences for campers to discover new skills and talents. Whatever your child's interests are, we have fun and unique activities for them to try!

Triangle Chess

Triangle Chess introduces chess to youth; we help kids achieve more through chess. Chess gives kids confidence that carries over to many other pursuits. Their social skills increase substantially with respect to playing fairly, courage in facing difficult situations or opponents, and the patience needed for exceptional timing. Troubled youth benefit from chess with increased interest in learning and reduced performance distracting outbursts.

Grades: Rising 1st – 8th

Week: July 8 – July 12

Price: \$340

Mad Science

Brixology Engineering

Join us for a week of engineering using popular building toys. Find out how mechanical and civil engineers overcome forces of gravity and inertia to design structures. Learn the Engineering Design Process steps as you build a carnival ride, bridges, tower, elevator, and space station.

Grades: Rising 2nd – 5th

Week: July 8 – July 12

Price: \$340

Mad Science

Incredible Flying Machines

Long before our skies were filled with superheroes saving the day, there were birds, planes, and there were... Mad Scientists! From the earliest flying machines to the first rocket flights, this hands-on program will allow campers to build many different flying devices. Junior test pilots will launch a variety of flying machines, including balloon copters, hovercraft, paper airplanes, kites, Frisbees, parachutes, a solar bag, solid fuel rockets, and more! You are cleared for takeoff!

Grades: Rising 3rd – 5th

Week: July 22 - July 26

Rising Kindergarten – 8th Grade

PLAY-Well TEKnologies

At Play-Well TEKnologies, we know that kids are already naturally gifted creators. We strive to provide an environment where students can create without fear of mistakes, explore fundamental STEM concepts through play, and express their creativity in ways they never thought possible. With tens of thousands of LEGO® pieces and the guidance of our passionate instructors, the possibilities are truly endless!

Grades: Rising 1st – 2nd

Week: June 17 – June 21

Price: \$365

NC ESports Academy

North Carolina Esports Academy began in October 2020 by Caleb Smith and Vinny Smith. North Carolina Esports Academy is a hands on gaming, esports, & STEM education and youth development organization. We take something your child loves which is video games and turn it into a productive experience through our education of tech skills, health & wellness, character & life skills building, and health and wellness.

Grades: Rising Kindergarten – 2nd

Weeks: July 15 – 19 and August 5 – 9

Price: \$350

Best Karate and Fitness

Martial arts is so much more than just kicking and punching, and getting the next colorful belt. It's about developing confidence, discipline, character, focus and respect. With every class we teach, your kids are growing in mind, body and character. That's because martial arts provides instant positive feedback. Through learning to focus on the core moves, they develop discipline and respect. They can instantly see and feel a difference, making them destined to *build confidence, self-awareness and self-respect* and of course it's a ton of FUN!

Code Ninjas - Robotics

Throughout this camp, Ninjas will make silly dancing robots, a working safe with password detection, a racing rhino, and more! Using the LEGO® SPIKE™ Prime robotics kit, Ninjas will learn the fundamentals of how to design, build, and code robots. They will also apply their new knowledge of sensors, motors, and coding as they construct their own creations.

Grades: Rising 3rd – 5th and Rising 4th – 8th

Week: July 15 – 19 (3rd-5th) and July 29 – August 2 (4th-8th)

Price: \$465

NinjaPlay by Kidokinetics

Kidokinetics NinjaPlay Summer Camp offers a week of ninja style obstacle and fitness course training. Using age-appropriate equipment, camp focuses on building confidence through fun and fitness. Campers have the chance to test their limits in a safe environment, navigating obstacles and challenging skills training, ninja games, and ninja course creation! Campers build skills such as accuracy, agility, balance, endurance, speed, strength and reaction time.

Grades: Rising 2nd – 4th

Week: July 15 – 19

Price: \$340

Hoops, Scoops & Shots by Kidokinetics

Hoops Scoops and Shots combines three highly popular coeducational sports into fun packed camp focusing fundamental skills and just the right emphasis on fitness and exercise. Hoops includes fundamentals of basketball including the skills of passing, shooting, dribbling and basic game rules. Scoops includes an introduction to lacrosse stressing skills development in cradling, passing, scooping and catching. Shots will include the highly popular USTA youth tennis curriculum combining basic skills and interactive games to reinforce the learning skills. Physical components stressed are agility, accuracy, flexibility, balance, stamina, coordination and speed.

Grades: Rising 3rd – 8th

Week: July 29 – August 2

Price: \$340

Sports Camps

Learn skills and gain confidence

Rising Kindergarten – 8th Grade

Our rigorous sports camp promotes skill building, exposes children to new activities, and helps build healthy exercise habits. We bring sports specialists from around the area to help each camper improve, practice, and play each sport.

Golf

We teach kids the game of golf through easy-to-understand concepts & interactive games that are fun and engaging. Using skill-based drills that can be done anywhere (indoors or outdoors, at school, or on the golf course), students develop the fundamentals, explore academic concepts through game play, and practice life skills — such as sportsmanship and respect.

Grades: Rising 3rd - 8th

Week: June 17 – June 21

Price: \$465

Fencing

Fencing, being one of the oldest Olympic sports, offers a remarkable pathway to prestigious institutions like the Ivy League and other elite schools. Notably, esteemed colleges in the United States, including Yale, Princeton, Harvard, Cornell, University of Pennsylvania, and Notre Dame, actively recruit fencers for their NCAA teams.

Grades: Rising 3rd - 8th

Big Island (Hawaii) Highlights

From the raw power of active volcanoes at Volcanoes National Park to the captivating Punalu'u Black Sand Beach, where we might spot green sea turtles basking on the unique shore, and the marine wonders at Kealakekua Bay, we'll create lasting memories of this diverse and breathtaking natural paradise.

Volcanoes National Park

Study volcanology at the Kilauea Visitor Center, hike through volcanic craters, scalded deserts, and lush rainforests; walk into an actual lava tube and see two active volcanoes. This 300,000-acre national park is home to Kilauea Volcano, one of the most active volcanoes in the world!

Punalu'u Black Sand Beach

Visit one of the most famous black sand beaches in the world. These beaches get their color from volcanic lava contacting the ocean—as the lava cools rapidly, it shatters into small basalt fragments giving the beach its black color.

Kealakekua Bay

Board a catamaran for a cruise to Kealakekua Bay, a Marine Life Conservation District. Snorkel in the brilliant blue waters and see vibrant coral, tropical fish, and on occasion, spinner dolphins. The Bay has historical significance too, as it marks the spot Captain James Cook first landed on Hawaii Island in 1778.

Kilauea Iki Crater Hike

You'll start in a lush rainforest and descend to the floor of the Kilauea Iki Crater, a solidified lava lake which still contains many active steam vents. The vibrant colors and varied wildlife of the rainforest is a stark contrast to the steam vents, cinder cones, and splatter cones found in the crater.

From the Big Island to Oahu

As we bid farewell to the enchanting landscapes of the Big Island, where we've explored the Halema'uma'u Crater, we transition to Oahu. There, we'll continue our educational journey with an ascent to the iconic Diamond Head, offering panoramic views of the Pacific. At Pearl Harbor, we'll pay our respects at the USS Arizona Memorial, and then immerse ourselves in Hawaiian culture with a traditional Luau and Polynesian Show.

Halema'Uma'U Crater

Located on the summit of Mount Kilauea, this underground lava lake has formed a crater that's nearly 3,000-feet in diameter and over 200-feet deep. Students will enjoy a night hike to the crater and stop along the way for stargazing in the pitch-black, unpolluted sky.

Diamond Head

Climb the 99 stairs to the top of Diamond Head, a well-known landmark of the Honolulu Volcanic Series. This 763-foot volcanic tuff cone summit boasts an exhilarating 360-degree panoramic view!

USS Arizona

The USS Arizona Memorial, at Pearl Harbor in Honolulu, Hawaii, marks the resting place of 1,102 of the 1,177 sailors and Marines killed on USS Arizona during the Japanese surprise attack on Pearl Harbor on December 7, 1941, and commemorates the events of that day.

Hawaiian Luau and Polynesian Show

Enjoy a traditional Hawaiian Luau and authentic Polynesian show. Students will learn how to play the ukulele, participate in a hula dance, and discuss the local legends and the cultural connections the Hawaiian people have to the land. This is a Hawaiian favorite you don't want to miss!
