# 2026 Camp Policies

## Forms

Please email the camp staff at [jamie.white@chesterbrookacademy.com](mailto:jamie.white@chesterbrookacademy.com) if you have any questions regarding required forms. Campers will not be permitted to attend Chesterbrook Academy without the required forms on file.

## Payment

Monthly tuition is due by the 5th of each month. A \$25 late fee will be charged if payment is not received by the 6th of the month.

## Lunch

All food is provided on campus, this includes AM Snack, Lunch, and PM Snack. Additionally, please ensure that your camper has a refillable water bottle every day.

## Sunscreen

Please apply sunscreen to your child prior to coming to camp. We will reapply sunscreen after nap time prior to going outdoors.

# Enrichment

## Exploring and expanding interests

Our specialty camps are packed with hands-on activities that offer experiences for campers to discover new skills and talents. Whatever your child's interests are, we have fun and unique camp for them to try!

### Make-Do Masterminds

Make-Do Mastermind is a hands-on, ten-week enrichment where children become creative builders and problem solvers using real Make-Do tools and cardboard. Each week, they explore new design challenges that inspire imagination, teamwork, and critical thinking. From constructing simple shapes to building large collaborative structures, children learn to plan, create, test, and improve their ideas in a fun, safe, and engaging environment. This enrichment encourages creativity, confidence, and a love for building through open-ended, child-led exploration.

**Grade:** Intermediates and UP

**Week:** Jun 15 - Aug 17

**Tuition:** \$200

### Master Builder Academy

Master Builder Academy is an exciting ten-week enrichment where children dive into the world of brick engineering, creativity, and problem-solving. Each week introduces a new building challenge that encourages imagination, critical thinking, and hands-on exploration. From designing simple structures to constructing complex creations, children learn to plan, build, test, and refine their ideas while working both independently and as a team. This enrichment sparks creativity, builds confidence, and nurtures a love for STEM through engaging, child-centered brick play.

**Grade:** Intermediates and UP

**Week:** Jun 15 - Aug 17

**Tuition:** \$200

### The Wonder Lab

Get ready for a hands-on adventure in science! Over the course of 10 weeks, children will explore the wonders of the natural world, experiment with STEM challenges, and even do some science in the kitchen with fun cooking activities. From discovering fascinating bugs to building and testing creative projects, this enrichment sparks curiosity, encourages problem-solving, and makes learning science exciting for every young explorer.

**Grade:** Beginners and UP

**Week:** Jun 15 - Aug 17

**Tuition:** \$200
