TIME to SHINE! 

Bring out their best this summer.

We've designed the perfect camp for your child, complete with all the fun, enriching activities they love, and the important safety measures and flexible hours you expect. Campers will enjoy field trips, sports and games, exciting STEM projects, arts, crafts, music, dance and drama. They'll grow more independent, develop social skills and continue to learn—all while having fun and making new friends!

Each week, students in rising kindergarten through 5th grade jump into action as they explore science and nature, become involved in creative and performing arts, and participate in sports and games. Our camp features a unique selection of indoor and outdoor activities that take advantage of resources in the local area.

Give your child a jump-start to kindergarten by enrolling in our Kindergarten Enrichment program. We work on sharpening literacy and math skills, while also providing opportunities for your child to practice kindergarten etiquette through authentic play and collaborative learning. Students have a blast engaging in inquiry-based, hands-on activities that build upon foundational skills, such as science and engineering.

DAY CAMP

School-Age Day Camp

Every day is an adventure • Ages 5–12

Each week, students in kindergarten through 5th grade jump into action as they explore science and nature, become involved in creative and performing arts, and participate in sports and games. Our activity blocks give campers fun and variety in their camp day.

Visionary Arts

Art is in the eye of the beholder. Campers will push boundaries of perception through a variety of projects that are meant to improve skills and inspire creativity.

Athletic Edge

We're putting a fun and competitive edge on sports for all skill levels. From foursquare to dodgeball, there is something for everyone to try.

Kindness Rocks

Our campers will pay it forward as they help others in need by planning a community service event from brainstorm to implementation.

Fireless Cooking

Whether campers dream up their own food truck, decorate like a cake boss or simply make a yummy summer treat – the food possibilities will be endless.

Color Wars

Our daily pep rally is a time for campers to gather for songs, chants and challenges that promote collaboration.

Blowing off STEAM

Campers will work together to solve problems, while developing a love of science, technology, engineering, art and math.

Figure it Out

Campers will put their minds together to complete various puzzles by analyzing clues and brainstorming solutions.

Let the Games Begin

We hope our campers are ready for some good old-fashioned fun. They'll have a blast building skills in a variety of indoor and outdoor games.

Take the Lead

There will be plenty of opportunities to be in the spotlight as campers develop creativity and confidence through singing, dancing, acting and more.

3D Structures

We'll be challenging our campers to put their construction skills to the test as they plan and build 3D objects using Legos, clay, balloons and more.

Picture Perfect

Campers will explore the tools necessary to capture great images and videos, and refine them through digital imaging.

Domino Toppling

This summer, we're taking simple dominoes to a new level. Campers will practice engineering and problem-solving skills as they use dominoes to assemble complex, mini obstacle courses.
