

Club Connect

at Chesterbrook Academy

We are open for learning & fun on days when your public school is online only.

Connect

Our teachers will ensure that students are completing their public school assignments while providing support, answering questions or addressing issues that arise.

Club Connect includes:

- Guidance in completing schoolwork
- Fun enrichment activities
- Safety & Supervision
- Hours: 7:30 am – 5:30 pm
- Transportation to and from many area elementary schools
- Nutritious snacks to help children form healthy eating habits
- Dedicated and specially trained staff members with experience in working with older children.

Discover

Students explore the exciting world of science, technology, engineering, art and math (STEAM) through building projects, experiments, and design challenges. Sharing ideas, asking questions, and making predictions are encouraged!

Play

Robust outdoor free play and structured games help students learn sportsmanship and develop their physical strength and endurance. Students learn critical thinking and problem solving by participating in board games and team challenges with their peers.

Create

Students express themselves by participating in hands-on visual arts, including photography, videography, drawing, and painting. Students develop planning skills by working on long-term projects with their peers and can participate in group performances or discussions.

Wonder

Social and emotional growth is nurtured through student and teacher led activities that promote a feeling of community and belonging. Students learn through open-ended activities that give them a chance to apply problem-solving skills and collaborate with friends.
