

Pre-K September Newsletter 2020!

===== WELCOME BACK TO SCHOOL!! =====

DEAR FAMILIES,

Welcome to the month of September. We're settling in and getting more relaxed to our new normal. The students are doing an amazing job with the social distancing guide lines to promote a healthy and safe learning environment for everyone.

During this month, we started off getting to know everyone as we shared fun and interesting facts about ourselves, explored our new environment and practice our school safety procedures for Fire Drills, Tornado drills, Hurricane and Lockdown drills.

Our Links to Learning curriculum skills focus for the month will be introducing students to their peers, assessing the students skills level and developing great interactions / relationships with the students.

Our Themes for the week are:

Week of September 1-4: "Welcome Back to School"

Week of September 7-11: "All about Me"

Week of September 14-18: "Mouse Shapes"

Week of September 21-25: "Goldilocks and the Three Bears"

Week of September 28-October 2: "Signs of Fall"

Important Dates for the month:

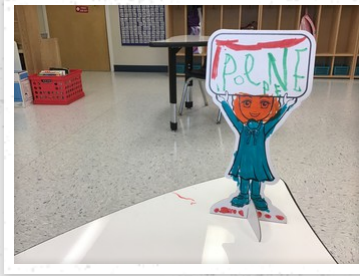

*September 7, 2020: Labor Day

*September 10, 2020: Back to School Night

* September 11, 2020: US Patriot Day (Wear Red, White, Blue)

*September 21, 2020: International Day of Peace

*September 22, 2020: Hello Fall! First Day of Fall

LINKS TO LEARNING: SHARED ACTIVITIES FOR PARENTS AND CHILDREN!

Here are some suggested activities to practice getting to know you skills with your child:

*Pretend to meet your child for the first time. Introduce yourself by saying, "Hello. My name is..."

Then, ask your child to introduce herself to you.

*Ask open-ended questions about how they are feeling.

Have a wonderful month.

Sincerely,
Mrs. Candies
