

May Newsletter

We are now fast approaching the final stretch of our school year, but we still have a number of exciting and fun activities lined-up for the children. We have our Mother's day celebrations, teachers' appreciation week, and our Father's day celebrations.

Our last parent-teacher conference for the school year 16/17 is scheduled this month. Progress reports will be distributed May 22nd and sign-up sheets will be posted outside of each door to schedule a parent/teacher conference the week of May 29th. Again, this will be time for the parents and teachers to discuss the children's progress in school. We will also have the children's 17/18 classroom assignments available at this time.

With summer just around the corner, we are now happy to announce that summer camp will officially start June 26th. Calendars will be available at the front desk to see what exciting things we have planned this summer. Children in our kindergarten and B/A class will need to

remember to fill out a registration paper; this will allow us to know how

many children are coming and how to arrange our day.

Lastly, we would like to give our heartfelt appreciation and gratitude to all parents, families, and friends for your continuous support in all of our activities and programs.
