

## Third Grade Newsletter

Dear third grade parents,

I hope that everyone is having a great week so far. Can you believe the busy month we have ahead of us! Next week third grade begins testing. Please make sure that the children get plenty of rest and a balanced breakfast.

In preparation for the test, we have been reviewing lots of important material that will be on the test in both literacy and math classes. We have reviewed many concepts that we have learned throughout the year as well as some new concepts that they might see. We have also taken practice review tests to help build stamina and determine concept areas to review further. The students have been doing a wonderful job challenging themselves to learn the new material and to review past concepts. I am so proud of them! Testing for third grade will begin from May 15<sup>th</sup> to May 24<sup>th</sup>.

As a reminder, we have a teacher work day on Friday, May 12. Library books are also due on Friday. There are a lot of upcoming events for the month of May. Third grade testing will run from May 15<sup>th</sup> to May 24. May 25<sup>th</sup> will be the elementary musical or the "Suessical Jr." performance for 2<sup>nd</sup> to 5<sup>th</sup> graders. This week Mrs. Smith has been sending out costume information. Please let me know if you have not received the costume guidelines by Friday or if you have any questions. Be creative and fun creating these costumes.

Mrs. Rion also wanted to remind everyone that the science fair projects are due Monday, May 22<sup>nd</sup>. More information regarding the science and art fair will be sent out soon! Some other important upcoming events include Field Day/ Bingo Day/ Dress Down Reward day next Friday May 19<sup>th</sup>! What a fun-filled Friday we have to look forward to! There is no school on May 29<sup>th</sup> in honor of Memorial Day.

If you have any questions regarding all these upcoming events please let me know!

Warmly,  
Mrs. Sanders
