

July Newsletter

Hello Chesterbrook Academy Families! July is here and we are excited to jump into Summer and Camp! Below you will find the upcoming field trips for the month of July for our Jr. and Sr. Campers as well as the upcoming events for all of our students to participate in.

For our younger children participating in Water Days please remember to send your student to school in their bathing suit with their sunscreen on with a towel and change of clothes to put on after water play. Water play will occur at your child's morning outside time.

We look forward to a fun filled summer continuing to learn and grow with your child.
