Summer Camp 2017

We are happy to announce that we are currently hiring new Camp Counselors and some past Counselors will be returning. Please join us in welcoming them to our campus!

In addition, if you have not enrolled for Summer Camp we have brochures in the office, online or I can email them to you! We are still enrolling, but our current numbers are higher than last summer, which could lead to a wait list. If you are planning to attend please be sure to turn in a registration form, camp schedule and deposit as soon as possible.
