

A Word from the Office

What a great month July was! Our students were busy creating, building, and exploring through their camp activities and curriculum. As a reminder, we have a Spirit Day every Wednesday during the summer. Also during the month of August, we will have various camp visitors on Fridays. Each day our campers also either have a field trip, Splash Day, or camp activity planned. Please check your email for reminders of various camp activities and events throughout the month or refer to your child's camp calendar.

We are quickly approaching the end of Summer Camp and the start of the school year. During the week of August 21st, the majority of our older students will transition to their new classroom. We will be sending home Transition Packets with more information soon. During the month of September, we will have a Curriculum Night where families are invited to come in and meet with their child's new teacher or prospective teachers in the future. We will be sending out more information on the date and time when we finalize our 2017-2018 School Year Events and Activities list in the upcoming weeks.

During the month of August, we will have an Open House on Saturday, August 5th, from 10 am to 1 pm. We invite any of your family members or friends who are interested in learning more about our programs to attend. As a reminder, we have a Parent Referral Program for families who refer their friends and family to join our school. Please see our Communication Board in the lobby for more information.

I hope you have a wonderful end to the summer! Please see either myself or Ms. Diana with any questions you may have.

Kindly,

Kirstin Baker
