

August News

What a great summer we have had so far! Now it's time for the end of summer camp and back to school news. As we head into August there are still many field trips and fun activities before summer camp ends. Please be sure to mark your calendars for our fun events such as our upcoming open house and back to school night! Our open house will be a great time to invite friends to see the school and have fun during our Fitness-Fest! If you refer a friend you will receive a referral week which equals a free week of tuition for your family! Help us spread the word! As a reminder, we are a nut free school so please do not bring any nut products in as we do have some children with severe allergies. If you have not yet registered for fall please do so to ensure you will have a spot in the class. Be sure to check your child's cubbies weekly to grab any artwork, or updates. We are looking forward to the last month of summer and getting ready for back to school!

Thank you all for your continuous support and please feel free to come to management with any questions!
