

Thank you for a wonderful first month of school! Our students were engaged in many activities, our teachers are starting their assessments, and we are already planning for our first Professional Development Day in November.

It is officially fall and the weather is changing every day! Please remember to send your child with the appropriate clothes for the changing season. The weather can be very predictable this time of year.

We will be hosting our annual Trunk or Treat on October 30th @ 4pm. There is a sign up sheet at the front desk, where we are asking for volunteers to decorate their trunks and fill it with candy for our little trick or treaters! All students are encouraged to wear their costumes!

The week of October 23rd, Mrs. Rachel will be attending the NLCI annual Principal Conference and will return October 27th. During this time I will be meeting with my peers across the country, attending and participating in various trainings and seminars to further my knowledge as an educator in becoming a more effective leader.

During the week of October 30th we will host Spirit Week! Each day will have a different theme. To kick off the week we will start with Trunk or Treat.

As a reminder, children ages 3 and up are required to wear their uniforms daily. Uniforms can be found at any local retailer.

This month we will be doing the “Teal Pumpkin Project” to raise awareness for food allergies. We will have two boxes in the lobby, a teal box for gluten, dairy, and nut free candy and an orange box for all candy. Please feel free to donate candy for the trunk or treat and place it in these boxes!

It is our commitment to support the needs of your children, your families, and the school. It is our passion to see each student and teacher succeed and thrive in their education!
