

The Numeral Song

Sung to Skip To My Lou

Come right down and that is all.
Come right down and that is all.
Come right down and that is all
To make the numeral one. (Hold up 1
finger.)

2 – Curve around and slide to the right...

3 – Curve in and around again...

4 – Down, over, down some more...

5 – Down, around, put on a hat...

6 – Curve in and around again...

7 – Slide to the right and slant it down...

8 – Make an “s” then close the gate...

9 – Circle around then come right down...

10 – Come right down, then make a zero...

We can sing the “Numeral Song”...

And make numerals all day long!
