JUNE 2018

Dear Chesterbrook Parents,

It's hard to believe that the 17-18 school year is coming to an end. We had a brutal winter this year and we are happy to say goodbye to those bitter cold temperatures. Finally, we get to say hello to Summer!

The end of the school year is bitter sweet because we will be saying "Goodbye" to so many of our families that have been with us for many years. But we will also be welcoming back numerous families that return each year for our Summer Camp. ☺

- All Camp Activity Fees and Paperwork are due to the office if you have not already turned them in. Do not forget that we need 2 weeks notice for vacation and 4 weeks notice before withdrawing your child in writing.
- Friday, June 9th is our Father's Day Breakfast at 7:30-9:30.**
- The Kindergarten & Pre-K Graduation Ceremony will be held at Wedgewood Country Club on Wednesday, June 13th at 6:00 pm.**
- Friday, June 15th is also the last day of school.**
- Monday, June 18th is the first day of Summer camp fun!**
- Each day during the Summer there is something different planned, so please make sure that you refer to your child's Summer Camp Calendar daily. You can also check our website.
- Soccer Shots and Kickin Flips will begin again for the summer session on June 18th.**
- Pre-K through Senior Campers frequently go on field trips. On the days that trips are scheduled, please send your child in wearing their camp shirt. If you are sending your child with a bagged lunch please remember NO peanut products please. ☺

•Please remember to send in sunscreen and bug spray for your child. Also, please label both with your child's first and last name.

Looking ahead...

•We are closed on **Wednesday, July 4th** for Independence Day.

Happy Summer Everyone,
Stacy, Thien, & Adriane

Infants

This year has flown by and our babies are growing up so fast! We look forward to another great month in our Infant room. We will continue working on signing with our babies and exploring our 5 senses! We are so excited to say Happy 1st Birthday to our friends Sophie, Caidence, and Colton!

Toddler A

It's hard to believe our school year is coming to a close. ☺ our school year has been exciting while doing circle time, reading books, learning colors, numbers, and shapes, and doing our art projects. The children started as infants and blossomed into Toddlers and we loved every minute of it! Thank you so much for your constant support of daily and special events, we couldn't have done it without you. Have a super Summer! ☺

Toddler B

Hurray for Summer! Lot's of fun is planned for our summer camp this year. Please check your calendars. Some of our Links to Learning skills for the month will be finger painting with some control, beginning to understand the number concept of 2, repeat numbers 1-5 and 1-10, names common animals, responds to simple one-step directions, and scribbles on paper using whole arm movement. We are looking forward to a great fun filled summer, stay tuned! ☺

Beginner A

This month your child will identify events that occur in the beginning and at the end of a story, continue naming shapes, and discuss summertime activities. We will talk about the importance of sun protection and explore temperature. The class will explore vacations and travel experiences with various props and costumes. Father's Day is coming and we will be doing various activities to celebrate the love of a father, grandfather, uncle etc. Please check your child's cubby to make sure his/her extra clothing is weather appropriate. Thank you!

Beginner B

Beginner B is ready to dive right into June! Our class will definitely be making waves this summer while using our imaginations, art supplies, and various resources throughout our playground and class. Skills that we will focus on this month will be recognizing our first name in print, counting 1-20, exploring temperatures, and having open discussions about vacations. Most importantly, we will be working as team to have our kids be successful in "independently attending the bathroom". Now that summer days are upon us, please be sure to check your child's cubby and replenish them with extra clothes, sunblock, and bug spray with your child's name labeled on them. If you would like your child to wear a hat or sunglasses, you are welcome to bring those items in as well. Our class is ready to make a big splash for summer camp 2018! ☺

Intermediates

The Intermediates are getting closer to the end of the school year. The children are working so hard and doing their best. For our last month the children will be reviewing all their numbers and letters and writing them. The children will be writing their first name, stating their first and last name, and orally spelling their first name. In Science and Social Studies we will be exploring textures, colors of rocks and natural objects. We will continue to work on self-help skills and social interaction skills daily. Keep up the great work Intermediates! ☺

Pre-K

The final act is here! Pre-k has totally rocked this year! We are halfway through our alphabet countdown. We have been working hard preparing for graduation. It will be on June 13th and Dr. Seuss themed, "Oh the Places You Will Go"! We are so excited to show off everything we have learned! To finish off the rest of the school year, we will be reviewing our letters, letter sounds, sight words, numbers 1-50, more, less, and equal to, and basic addition and subtraction facts! We can't believe the end is near. It has been a year to never forget! Don't cry because it's over, smile because it happened!! ☺

Kindergarten

I can't believe this school year has come to an end! We have learned so much and made so many memories that we will never forget. For the remainder of the school year, we will be working on our graduation performance, reviewing all we have learned this school year, celebrating the end of the year with kindergarten senior week, national cheese day, and Father's Day! Have a wonderful summer!

Calendar of Events

Friday, June 8th Father's Day Breakfast at 7:30am-9:30am

Wednesday, June 13th Kindergarten and Pre-K Graduation at 4:30pm at Wedgewood Country Club

Friday, June 15th Last Day of School

Monday, June 18th First Day of Summer Camp

Looking Ahead...

TUESDAY, July 4th School is Closed for Independence Day

Congratulations to our Teacher of the Month for June:

Miss Liz

Miss Liz has been working with Chesterbrook Academy since December 2017 and we are so lucky to have her with us. She has spent her time in many of our classrooms, but spends most of her time in our infant room snuggling and loving our babies. Liz has a passion for working with young children and caring for them as if they were her own. She loves bringing out her creativity in the classroom as well. In her spare time she enjoys spending time with her friends, family, and boyfriend. She recently graduated from RCGC with her Associates Degree in Education and will continue her studies at Rowan University in Glassboro to become a teacher! We are so lucky to have had Miss Liz join our Chesterbrook family and we are grateful for all that she does for us and our sweet little babies. Thank you Miss Liz, we love you!

Don't forget to visit our website for the lunch menu, special event dates, reminders and so much more...
