

Chesterbrook Academy – Aldie

July

July Highlights

Dear Chesterbrook Academy Families,

With the final weeks of summer camp now upon us, we're in awe that it has flown by so incredibly fast! It never fails - summer always seems to be on fast forward. It's always surprising to us not only how fast it goes by, but how much FUN we can cram in to a few short weeks!

August will be no exception – here at CBA we're continuing with our mission to make Summer 2018 one of the best yet for your children. With that in mind – we will also be turning our focus to preparation for Back to School for the 2018/2019 academic year. Be on the lookout for your transition letters – which will detail your class assignments for the coming year (if transitioning).

Uniform Policy

Students attending Chesterbrook Academy's Intermediate and/or Pre-Kindergarten Program are required to wear a uniform on a daily basis, August 27th through the end of June. This policy must be adhered to so that our student body develops a feeling of community, belonging, and school ownership. In order to ensure that each student is dressed for success, we have developed a dress code.

Dress Code:

Navy or khaki shorts/pants

Optional: skirt or jumper for girls

Navy blue or white Polo Shirt Closed Toe Shoes

Uniform items can be purchased from the Chesterbrook Academy uniform website at:

<https://braddockrdcb828.qbstores.com>
