

Chesterbrook Academy - Aldie

June 2018

June Highlights

Dear Chesterbrook Academy Families,

The end of the school year came and went fast! We are taking the time to reflect on the many changes we have witnessed – both in our growth as a community, and also in the individual progress of our ever changing students. As this school year came to an end, we are welcoming the warm weather. We are excited about all the fun we're going to have during these warm summer months, and we certainly can't wait to experience our summer camp here at CBA!

Below see some snap shots from our graduation event!

"For our graduates and their parents you will forever be the class we remember the most, especially in the last couple of months. You were the class of 2018, the year that; as a nation we stood Texas, Florida, and Vegas strong. We are learning to be friends with everyone, just like our Pre-K classrooms. But most importantly it was the year that the Washington Capitals won the Stanley Cup!"

- Ms. Megan

Upcoming Events
