

Welcome to the Parent Association!

We're so excited to start the 2018-2019 school year with you. We have many great events scheduled for this year and can't wait to enjoy them all with your family. Our goal is to support and enrich our chosen learning environment with community-building events and fundraisers to provide our students with technology and STEM-based resources.

We encourage participation in any way that works for your family; please join us at meetings or coffee chats, volunteer your time or donate when able and, most importantly, mark your calendars for fun!

Couldn't make it to the PTA meeting last week? Pop into the Parent Lounge on Wednesday morning after drop off for coffee and doughnuts and catch up! Info from the PTA meeting will be available and it's a great time to relax for a second and connect with other parents. Parent lounge has a play corner for young siblings... all are welcome!

Parent Lounge

Located in **room 14**, the parent's lounge is a space for you to utilize whenever you're on campus. Wi-Fi access makes it a great place to catch up on some work, the play corner is available for your young ones to get the sillies out, coffee, water and snacks are available. We appreciate that you travel to get your children here, sometimes hanging out is more convenient than commuting back and forth between events. Please make yourself feel at home while at school.

Uniform Exchange

Need uniform pieces? Caught between growth spurts? Lost your sweater? Shop our racks and help your school! Minimal flat rates are set for shorts, skirts, pants, jumpers, shirts, sweaters and jackets. All monies raised support our mission to fund technology enhancements. We'd love your Hand-me-downs! Please consider donating your gently worn, washed uniform pieces to our Uniform Exchange.
