Our class has a lot to look forward to, starting off with Quinn celebrating her birthday! This month we will work hard on getting back to our classroom routines and gear up to master our skills. The #1 focus being "Independently attends bathroom needs" and most importantly, "Plays cooperatively with peers". Please make sure your child's cubby is filled with weather appropriate outfits, including socks. As always thank you for sharing your little ones and we cannot wait for an awesome year!

We will be working with the children on communication, answering questions, and recognizing names. In Math, we will be recognizing numbers and explaining different sizes.

Throughout the year we will be working on social-emotional skills, self help skills, and social interaction with friends and teachers. We are looking forward to a great year with our Intermediates class!
