Welcome to a New School Year!

Dear Parents,

I want to welcome everyone to the start of the new school year! The teachers have all been working very hard to get their classroom ready for the start of the new year. I would like to like to welcome back our families that have been here with us as well as all of the new friends that are joining us for the first time. I want all of the families to know that we are here for you. If there is anything that we can do to help make the transition to the new school year easier just let us know. We want everyone to feel relaxed and comfortable in their new rooms. During the next week or two Miss Meagan will be updated all of our children's files to keep us up to date on our licensing requirements. You should expect to be seeing her a lot the next few weeks.

I would also like to remind all parents that if there are ever any questions or concerns, no matter how small, my door is always open! Open communication is the key to having everything run smoothly.

I am looking forward to a fun and exciting school year!

Miss Karen
