# Chesterbrook Academy Newsletter

As we approach the winter season, our students will be learning about how the holidays are celebrated around the world and they will explore the changes that occur with the colder weather. Contact your child's teacher to see what specific plans they have to celebrate the various holidays in their classroom this time of the year.

The holidays are a great time to spend with family and friends. During the next month our administrators' and teachers' schedules may vary from their typical schedules. Some of our summer Camp Counselors will be returning to help out for the holiday season. As a reminder, please mark your child out in Links2Home for any days they may be missing around the holidays. Thank you!

## Winter Concerts and Celebrations

Friday, December 14 at 3:30 pm

The student's will be participating in our Annual Holiday Concert. Each class will be performing a few songs in their classrooms prior to the start of our class parties. Be sure to join us! We would like the children to be in holiday attire.

From our families to yours, we wish you all Happy Holidays and a wonderful New Year!

## Winter Gap Camp

*December 24-January 4*

Gap camp is available for local School-Age children (5- 12 years old) and our Kindergarten class. Be sure to pick up your brochure from the office for the fees and complete the enrollment form. Forms are due to the office by December 14.

Our preschool classrooms will be open and class will continue as usual. There is no additional charge, it is part of tuition.

## Inclement Weather Reminders

We do not always follow the closure schedule of the local public schools because we do not have to contend with the same transportation issues as public schools. Our goal is to be open as many days as possible to support our working parents. If we must close because our teachers cannot safely get to work, you will receive a notification via Links 2 Home (email and text message) as soon as the closure is announced. We also post notifications on our website.
