

2019 Newsletter

Dear Chesterbrook Parents,

Happy New Year to everyone and welcome to the new year 2019!! This year is sure to be just as exciting and busy as last year.

Here are just a few friendly reminders...

- **First, we would like to welcome our new Principal Chloe Glenn to our school! Miss Chloe joins us from our Drexel Chesterbrook location. We are very happy to welcome her to our Sewell family. Be sure to stop by the office and say hello if you missed the chance to do so at our meet and greet. ☺**
- Thank you to all of our families who donated to our "Pajama Giving Tree" during the month of December. Because of your donations, several families had a better holiday this year. Miss Crystal sends her thank you to all who donated coats to our coat drive this year. They were able to donate 83 coats to the Boys and Girls Club! This was such a success and they can't thank you all enough for helping make this happen! Ms. Alicia, Ms. Lia, & Miss Victoria also thank you for the generous gift and money donation to the families they adopted this season. You made such a difference
- Keep an eye out for the date that all extracurricular activities will start back up. A signup sheet and more details will follow as it gets closer.
- In the event of excessive snow, there are several ways to check if we are open. We will send a Tadpole email by 5:30 am stating a closure or delayed opening. Channel 6 (ABC) and Channel 10 (NBC) will also list updates, look for Chesterbrook Academy Sewell. You may also check our voicemail and our school website for any delayed openings or school closure.

• Documentation of the flu vaccine is due **immediately** if you haven't already turned it in. Thank you!

• Please be sure to supply us with your most recent Universal Health Form and Immunization record.

• Please make sure that your child has an extra pair of weather appropriate clothes in their cubby. Also, make sure that you are sending in warm coats, gloves, hats, etc. for them to wear outside. We try to utilize our playground during the winter months even if it is only for a 15 minute interval.

Warm Wishes,
Chloe, Thien and Adriane

Calendar of Events:

- **Flu shot documentation is due IMMEDIATELY**
- **Tuesday, January 1st CLOSED for the New Year**
- **Saturday, January 26th - Open House 10-1**

Looking Ahead:

- **2/18 Closed for Professional Development Day**

2019
*Happy
New Year*

A message from our teachers!

Infants

Welcome January!! We hope everyone had a great holiday. We would like to welcome our new friend Penelope to our infant room this month! The infants are looking forward to learning lots of new things in the new year. We will continue to work on sign language with our little ones as well explore our fine and gross motor skills!

Toddler A

Happy New Year! We hope you had a Joyous Holiday season this year! 2019 will also prove to be an exciting year. Our color of the month will be white; and our shape of the month will be a triangle. We will continue to work on increasing our vocabulary, concentrating on our Expressive Language Development. Thank you for your continued support of our daily and special events. Welcome Miss Bridget to Toddler A! ☺

Toddler B

Happy New Year! 2019 is going to be a great year in the Toddler B classroom. Some of the LTL skills we'll be focusing on are pointing to and naming colors, imitating vertical crayon strokes and jumping with both feet. White will be our color of the month. We say good luck to our friend Liam who is moving up to the Beginner classroom!

Beginners

The new year is upon us and we have so much to learn and work on. We will continue working on getting familiar with the potty, proper hand washing procedures, as well as all of our links to learning skills.

We will be working on the number concept of four in Math and reinforce the concept of four throughout the day. For example, ask your child to place four napkins on the table, find four red blocks, or gather four stuffed animals.

Intermediate A

This January will be a month of review to start fresh and prepare to master our skills. Let's start the new year right and stock our cubbies with 1 blanket, 1 crib size sheet, and 1 full weather appropriate outfit.

Thank you again for making our 2018-2019 school year the best!

Intermediate B

The Intermediates class has had a great first half of the year. The class will be focusing on communication this month and answering questions, following multi-step directions, and understanding and using spatial vocabulary. We will be doing experiments with Science and using snow and various materials. The children will continue to work on name recognition, name writing, and stating names. We are ready for a great rest of the year!

Pre K

Happy 2018! December was a great month, full of a lot of hard work and fun. This month we will be learning more sight words and we will continue practicing our writing skills. This month we will also be touching on Science a lot more. We will be doing experiments and the children will make predictions and answer questions. This will be a busy month for sure! We look forward to watching the children continue to grow and excel!

Kindergarten

Happy New Year! This month we are focusing on initial, medial, and final /r/, /d/, /k/, /f/, and /o/, reading text based comprehension such as plot, cause and effect, and main idea, learning how to compose and decompose numbers to 10, learning about our world in social studies, starting our measurement unit in science and so much more!
