

# CHESTERBROOK ACADEMY NEWS

March 2019

## From the Principal's Desk:

Dear Chesterbrook Families,

February was a great month at our school!

In anticipation of spring, our teachers are busy planning meaningful learning activities that will help students gain an appreciation for the changing seasons. In order to make the most of the next few months we will spend extra time outdoors so our students can interact with nature. Please make sure your child has weather appropriate shoes and outerwear for school each day.

Heading out of town for Spring Break? Please let the administrative team know if you are planning to use your vacation time this month.

Educationally Yours,

*Kristen Roselli*

## Priority Registration

It has been a joy to watch every child at our school succeed, build confidence, enhance academic skills and make new friends along the way. The fun and learning they are experiencing right now is preparing them for future success.

Now it is time to plan for next year. Our Links to Learning curriculum is designed for smooth transitions as children develop. It is important to continue your child's momentum by enrolling for the 2019-2020 school year. In doing so, your child will be assured a space and can continue his or her successful progress uninterrupted.

In an effort to allow our families the opportunity to enroll before we open registration to the public, we will begin our priority registration process this month. If you register during priority enrollment, you will receive 50% off the registration fee for each child enrolled.
