- Turning 3 Zoe
- Turning 4 Adrianna, Charlie, Karter
Nathan, & RJ
- Turning 5 Arianna & Lilian
- Turning 6 Nisa
- Turning 7 Adalyn
- CBA Staff Miss Thien

A MONTH TO CELEBRATE OUR STUDENTS

First and foremost, thank you so much to all of our families who participated in our Priority Registration in March. An unbelievable 95% of families who are currently with us are here to stay for another year of learning and play... and our whole team is seriously pumped for it!

In addition to this excitement, April is the month of Week of the Young Child, an annual celebration of growth and development for preschool-aged children everywhere. For our staff, Week of the Young Child is a time to plan how we as educators can better meet the needs of your children to ensure that they look back fondly on their early childhood years. We are all thrilled knowing that Chesterbrook Academy gets to be an early chapter in the story of their lives. I can only hope they remember us when they someday change the world!

Here's what to expect during Week of the Young Child:

- **Motivation Monday** – We'll discuss goals, dreams, and aspirations as we dress like our dream jobs.
- **Tempo Tuesday** – We will enjoy an acoustic music workshop with Music Monkey Jungle.
- **Work Together Wednesday** – We will learn about community helpers during our Teddy Bear Clinic.
- **Artsy Thursday** – Walk through our special art gallery set up in the hallway during pick-up.
- **Fun Friday** – We'll close out the week with our favorite special attire: Pajama Day!

Thank you always for your ongoing support of our school!
