Lights! Camera! Action! Campers will dabble in improvisation games, film studio and musical theater songs and skits. Have fun writing scenes, creating costumes, acting out roles, and making short videos!

Game Stop
We’ll keep campers moving and thinking as they play sports, games and participate in timed challenges on their own and with friends.

Food Boss
Whether campers dream up their own food truck kitchen, decorate like a cake boss or simply make a yummy summer treat – the food possibilities will be endless.

Cartoon Nation
Campers will explore the exciting world of cartoons and comics. They’ll learn about the history of some of their favorites, while also creating and illustrating their own.

Dance Craze
Don’t just stand there… bust a move! This summer, we’ll cover dance trends throughout the decades, as well as make up a few new trends of our own.

Build it Better
We’re counting on our campers to not only build it, but to build it better than before using Legos, K’nex, blocks and other recycled materials.

When S.T.E.A.M Collide
By participating in exciting S.T.E.A.M. activities, campers will ask questions, design, build, create and maybe spark an idea that will someday change the world.

Crack the Code
Children will join forces to solve mysteries, complete puzzles and build with limited resources. The suspense will be thrilling!

Powerful Projects
Our campers will pay it forward as they perform kind deeds and plan community service projects from brainstorm to implementation.
