

Dear Parents,

It seems like every month, including March, is a busy month for us at Chesterbrook Academy! Spring is around the corner and teachers are busy planning a variety of fun seasonal activities that will help our students learn more about the many changes which occur in our environment during Spring!

March is also when we have our annual "Early Bird Registration" for next school year. You will have an opportunity to secure your child's space for the upcoming 2019-2020 School Year. Current families who pre-register between March 4th and March 22nd will receive 50% off the annual registration fee. You may still register after the early bird registration period, however, the fee will be full price.

Please see below for upcoming events and enrichment programs we offer every week! 😊

All the best-
Kristen Suh
