TEACHING IS A WORK OF HEART...

We always like to give credit where credit is due, and for the month of May, that credit goes directly to the heart and soul of our school: our incredible teachers! I'm so proud of all of the work that our teachers put in to provide your children with fulfilling and memorable early childhood experiences. Many of our teachers put in time and effort well beyond the school day with no extra compensation other than the smiles given to them by your children each morning. While they often tell me that those smiles are more than enough, I'm sure we can all agree that they certainly deserve so much more.

For this year's Teacher Appreciation Week, our teaching staff will be celebrated each day with special events intended to make them feel loved, valued, respected, and – of course – appreciated!

A highlight of our week and an easy way for you as families to contribute to the fun will be with our Teacher Appreciation Luncheon on Thursday, May 9th, where we invite families to donate food and drink items for our teachers to enjoy for lunch. A sign up sheet will be available at the front desk if you're interested in contributing and additional information will follow via Links 2 Home.

Of course, you are more than welcome to share cards, flowers, or special gifts with your child's individual teachers at any time throughout this special week. Please feel free to stop by the front desk for ideas or details on any of our teachers' interests or favorite things.

Thank you always for your ongoing support of our school, and especially for making our teachers feel like a million bucks – not just this month, but every single day of the year!
