## SUMMER IS A SEASON FOR KINDNESS!

Happy summer! We have been so excited to continue into the warm summer season with so many friends from the school year, as well as to welcome back old friends who are joining us for camp!

Our Summer Camp 2019 schedule is in full swing, and we couldn't be having more fun with your little ones if we tried! Our Infants and Toddlers have been splish-splashing their way through their weekly Splash Days, while our Beginners have been staying active with Miss Karen in Creative Fitness. Our Intermediates have been spending their days becoming awesome athletes in Mini Sports and preparing for their upcoming Pre-K year through our Links to Learning curriculum. And we can't forget our Junior & Senior Campers, who have been having fun both on-site and off-site with exciting entertainment events and fun-filled field trips!

This month, we are excited to host our school-wide Kids Helping Kids Bake Sale to benefit Alex's Lemonade Stand. Kids Helping Kids is a community service initiative that all of our Nobel Learning Communities preschools participate in to teach our students about making a positive impact on the world. Each of our camp groups will bake delicious treats and prepare lemonade, which will be sold during pick-up from July 16th through July 19th. Our Senior Campers will learn about responsibility and leadership by helping us to manage all aspects of the bake sale, including designing posters to promote the sale and collecting the donations! We thank you in advance for your generous participation and helping us to reach our goal of collecting \$1,000.

Thank you always for your ongoing support of our school and our camp!
