

July Newsletter

Dear Chesterbrook Families-

Summer is in full swing and we are having a great time teaching and learning with our students! This month we celebrate Independence Day! It is expected that many of our families may be traveling during the week of July 4th. We wish them safe travels and a refreshing time of rest and relaxation.

Our summer camp program has begun and we have had a quite a number of outside vendors visit our school. We've had visits from Mr. Chocolate, the Storyteller, Mad Science, and Fish the Magish. Our PreK2 children had some exciting field trips as well. They went to Colonel Beatty Park, Charlotte History Museum, Schiele Museum and also toured Harris Teeter and Publix. And....Wednesday is water play for the whole school! You can't forget Kona Ice, kids favorite... this special treat is on Tuesdays!

As always, please reach out if you have any questions or concerns.

Sincerely,
Kristen

Water Day:

Water day is Wednesday. As a reminder, students should come to school in their swimsuit with a towel and a change of dry clothes. Please apply sunscreen to your child before you drop them off.

A reminder about our summer shoe policy: Children should wear closed toe shoes with a strap on the back. Flip flops, sandals, and crocks are discouraged due to the child's inability to run and play safely in them.

Events in July:

We have fun and exciting events lined up this month for summer campers!

Beginner 2-Pre-K1:

- | | |
|---------------------------------|---|
| Week of July 8 th : | Super Stacker challenge / Lego Creation Station (Build it Together) |
