## FROM THE PRINCIPAL'S DESK

Thank you all for your participation in our Kids Helping Kids initiative this summer! We are grateful for the opportunity to watch our students serve others these past few weeks and appreciate the role you all had in this. Together, we raised over \$300.00 for The Headstrong Foundation!

We still have a few more weeks of summer, but our teachers are hard at work preparing our classrooms for the new school year. Many of our students will be transitioning into new classrooms this month, and classroom specific information will be sent home soon. Please let us know if you have any questions or concerns in the interim.

Educationally Yours,  
*Kristen Roselli*
