

Hello Chesterbrook Academy Families! September is here and with it our 2018-2019 school year has begun. We are excited for a new year, new friends and new experiences!

In the month of September you can expect your students to learn their daily routine, meet and learn about their friends, and start to build relationships and friendships to last us through the year and beyond!

With the start of school we would also like to give several safety reminders regarding the parking lot. We have buses in and out of the parking lot several times through out the day as well as a food delivery once a week in addition to daily/weekly mail deliveries. Please remember to be cautious and aware when entering and exiting the parking lot and parking spaces as well as when you are walking your student to and from your vehicle.

As always we thank you for your continued support and look forward to the year to come!
