Letter from the Principal

I hope everyone had an enjoyable summer. I can hardly believe that September is here and we are officially starting our new school year. We are looking forward to all the fun and interesting learning opportunities your child will be exposed to this year! We have so many special events planned this year, and we are thrilled that you all will be part of it.

I would like to extend a very special welcome to our new families and returning families!

Kesha King, Principal
