BIRTHDAYS

Turning 2 Riley, JD, & Kenny
Turning 3 Chase
Turning 5 Ramon & Colton

LEARNING IN A WINTER WONDERLAND...

It's the most wonderful time of the year! What our Chesterbrook team loves most about the holiday season is the opportunity to teach the children that each individual is special and unique in his/her own ways. This month, our classes will explore various holidays celebrated around the world and the different traditions maintained by each culture.

As an extra special part of our holiday celebration, we are also thrilled to be partnering with the Ronald McDonald House of Southern New Jersey for a school-wide service project to support young children receiving treatment at local area hospitals. During the week of December 9th, we will be collecting various household items to be shared with the House to help families of these young patients to enjoy a comfortable stay through the holidays. What can be better than the gift of giving and kids helping kids? More info to come soon.

As always, please reach out with any questions, comments, suggestions, or concerns. Thank you always for your ongoing support of our school!
