# NOVEMBER 2019

Happy November everyone!

We hope your children enjoyed their fall lessons, pumpkin themed activities and classroom celebrations last month. Seeing our students enjoy their Halloween costumes and fall attire is one of the highlights of the year for us. Thank you for allowing us to be part of these special occasions! We finished out Charleston wrap fundraiser last month and also had our Pennies for Patients campaign going on. We raised over \$800 for LLS last month and we are so appreciative of everyone who donated!

Each of our classrooms will be celebrating Thanksgiving with a special dessert on November 22<sup>nd</sup> at 3:30 PM. Students will be making their own placemats, hats and table décor for this fun event. Please check with your child's classroom for any special instructions and feel free to attend if you're able. We will have delicious treats for everyone! We will be sharing plenty of photos through Links 2 Home as well!

Our parents are vital partners in helping us to maintain a safe and healthy environment for the students in our school. The most important thing you can do to assist us in creating a healthy environment is to keep your child home if they are ill. This reduces the spread of illness and allows your child to fully recuperate. Children may not attend school until they have been symptom free for 24 hours without the use of medication.
