January 2020

Happy New Year!

We can't wait to spend 2020 with you and your children. Thank you to all who participated in our holiday giving initiative last month. We received so many toys to donate to Toys for Tots! We also enjoyed having our school-age students with us for winter break camp. Thank you to all who were able to join us!

If you're not currently receiving photos and daily reports for your child, you can easily change this by downloading the Links 2 Home app on your phone. Just type 'Links 2 Home' in the search bar for the Apple App Store or Google Play Store. After downloading Links 2 Home you can register with the same email address that you used to enroll your child in our school.

In addition to our newsletter the 'For Parents' section of our website also includes links to our menu, monthly calendar and school year calendar. We update these items frequently to ensure you're always in the know. Though we send information through Links 2 Home, our calendar can be printed or even downloaded directly to your device. Our menu and school year calendar can be printed or saved for easy reference as well.
