

Chesterbrook  
Academy®

## Winter Weather Notification

1. School closing/ delay opening information will be broadcast by school name **only on 6 ACB**. Channel 6 gives us both 2 and 3 hour delay opening options. You may also see notices posted on our school website:

<http://newtownsquare.chesterbrook.com>

2. If there is a delayed opening, our normal opening time is 6:30 am (ex: a 2 hour delay would mean we'll be opening at 8:30 am).
3. Information may also be accessed via [www.6abc.com](http://www.6abc.com) . Follow the instructions under school closings/ delays/ openings sent directly to your email or mobile device. The schools are listed alphabetically on their website.
4. A delayed opening may be issued first, but if weather conditions get worse, a change may be made to close the school for the day.
5. *When we have school closings during the school day, we will call you and email you with information.* It is **extremely important** to keep emergency contact forms completed and updated with correct phone numbers. If there are any changes to information on your child's emergency contact sheet, please let administration know right away.
  - You can also make changes to your emergency contacts via our parent portal, ALMA.
